La documentación incluye planos de la red de cables, tablas de datos de conexión y datos de comprobación de todas las fibras de la red, y cabe mencionar que es costosa.

En la presente Recomendación se tratan los aspectos específicos relativos a la red de transporte óptica tales como la estructura por capas, información característica, asociaciones de capas

Reports on April Fools" Day of the death of the world"s oldest living land animal ? a 193-year-old tortoise called Jonathan ? were greatly exaggerated.

Jonathan the tortoise, the world"s longest-living known land animal, remains alive despite claims of his death spreading on social media.
